Union Square, San Francisco

Under the Management of

JAMES WOODS

FACING the beautiful park in the heart of the city, which is the theatre of the principal events of the famous festivals of San Francisco, this hotel, in environment and atmosphere, expresses most pleasantly the comfortable spirit of old California.

The royalty and nobility of the Old World and the Far East and the men of high achievement in America who assemble here contribute to the cosmopolitan atmosphere of an institution which represents the hospitality and individuality of San Francisco to the traveler.

The building, which marks the farthest advance of science in service, has now the largest capacity of any hotel structure in the West, and upon completion of the Post street annex will be the largest caravanserai in the world.

What healthy Nerves Mean to You.

A strong vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless. She is not irritable, she never suffers from hysteria. She has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or treble duty.

All men and women who suffer from these forms of nervousness, known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar oriental properties of

Persian Nerve Essence

These wonderful little tablets contain no mercury or other injurious drug. They act like magic. The bright eye, the elastic step, the clear and active brain, the courage and strength and comfort they impart are noted almost from the first day they are taken.

One box of Persian Nerve Essence will do a great deal of good, the full course treatment of six boxes are guaranteed to make a permanent cure or the money will be refunded.

The proprietors, The Brown Export Co., 95-97 Liberty St., New York, N. Y., U. S. A., currently asks every sufferer to give Persian Nerve Essence a good fair trial at their risk. Don't delay, commence to-day, the preparation can be obtained from

MADISON, Wis., May 11.—The baseball game scheduled between Waseda University and the University of Wisconsin for May 30 will not be played if a joint resolution introduced in the State Senate yesterday passes both houses of the Legislature. The resolution is in the form of a protest against the celebration of Memorial Day by the State university by engaging in any games of sport. Senator Jones claiming that such forms of noisy amusement are a desecration of the sacredness and solemnity of the day. Four years ago the university authorities prohibited holding a crew race at Madison on Memorial Day.

Oakland, May 5.—Oakland's initial aviation meet will take place next Sunday afternoon at Fourth Avenue Heights in the Piedmont Hills, when Clarence Walker, San Mateo's millionaire aviator, will compete with Didier Masson in a professional flying contest.

Walker has already given a number of interesting flights in the peninsula towns, while Masson's flights in Mexico recently have attracted considerable attention.

The flights will commence at 10 and last until 2 and Walker will alight on Goat Island if he can secure permission from the authorities. The meet will be free to the public.

At the same time the Oakland Motor Club will hold a meet on the Fourth Avenue Heights Grounds, Dr. H. P. Hall of the organization will start from this point on his overland trip in an automobile to New York via the southern part of the state.

Racine, Wis.—Hugo Kelly, of Chicago, claimant of the middleweight championship, beat Johnny Thompson, the Sycamore (Ill.) "Cyclone," after ten rounds of savage fighting here last night. Superior boxing skill won the popular decision for Kelly. He landed two blows to Thompson's eye, although the Sycamore fighter forced the milling.

While under the laws of Wisconsin no decisions are allowed in boxing contests, the popular verdict seemed that Kelly had decidedly the better of the contest. The Chicago man's most effective blow was a right hand upper cut, which he landed repeatedly without a return.

New York, May 12.—President Lynch of the National League today announced the suspension until further notice of Manager Doolin of the Philadelphia Club and Catcher George Gibson of Pittsburgh because of the trouble they had in the game at Philadelphia yesterday.

During the game Gibson and Wagner were sent to the bench by Umpire Finneran because of objections they made to his decisions, and in the argument Manager Doolin took a hand. Finneran reported the matter to President Lynch and his suspension followed.

New York, May 12.—In a rushing ten-round bout Knockout Brown of New York outfought and easily won the popular decision from Tommy Murphy of Brooklyn at the Whitwind Athletic Club of Brooklyn last night.

The "little fighting Dutchman," as Brown is called, was the aggressor from the start, and while Murphy fought a heady fight, he had not the strength to carry his skill to advantage.

PRINCETON, N. J., May 8.—Logan Cunningham, coach of the Princeton freshman eleven last fall, and A. MacGregor, tackle on last fall's varsity football team, were today appointed head coaches of next year's football team.

FINALS PLAYED TOMORROW

Castle-Nowell and Roth-Dillingham Teams On Moana Courts.

RESULTS YESTERDAY.

Steele-Richards won from Beckus-Guard 3-5, 6-2 (unfinished match).
Dillingham-Roth won from Sinclair-Anderson 9-7, 8-6, 6-4.
Castle-Nowell won from Steele-Richards 6-3, 6-3, 6-1.

There were two fine tennis matches on Beretania courts yesterday afternoon, when the semi-final stage of the championship tournament was played off. Dillingham and Roth winning from Sinclair and Anderson 9-7, 8-6, 6-4, and Castle and Nowell winning from Steele and Richards 6-3, 6-3, 6-1.

First on was the finishing play in the match between Beckus-Guard and Steele-T. Richards, these teams stopping play the evening before on account of darkness when the sets stood 2-1 in favor of Steele and his partner. In the first set yesterday Beckus and the youngster went into the game with lots of speed and succeeded in winning 6-3.

This gave each team two sets, and the fifth one had to be played for a decision as to which team was to enter the semi-finals.
Then in the final set the work of Beckus and his partner seemed to drop back a little, and Steele and Richards came to the front, stronger and won out 6-2, allowing their opponents only the third and fourth games in the set.

It was the semi-final round between Dillingham and Roth and Sinclair and Anderson that was the real match of the day, and it was one of the hardest fought matches seen on the grounds.

Forty games were played in the three sets, which were won in regular order by the Dillingham-Roth team, and the tennis put up by Sinclair and Anderson was a surprise to the spectators. Time and again each of them won points from their opponents which were hard played, and there was lobbing back and forth across the net for long periods.

In the first set Sinclair took the first game on his serve, and from that time on, until the score stood 8-7 in favor of Dillingham and Roth, Sinclair and Anderson were ahead one game or tied with their opponents.

On one or two occasions the losers of this set had a chance to win out, and if the winners had not been playing in extraordinary luck at times they would have done so.

When the second set started Dillingham and Roth took the first game on Sinclair's serve and held the lead until four-all was reached, after which Sinclair and Anderson jumped ahead with the lead, until six-all was reached, after which Dillingham and Roth took two games and won the set.

In the third and final set Dillingham and Roth lost the first three games, then won one, but lost the next, and the score stood 4-1 in favor of their opponents. From that point there was something doing, all right, and five straight games were taken, giving the winners of the two previous sets the set and match, 6-4.

Second Match.
The other match in the semi-final round was a walk-over in a way, and yet the winners had to play for most of the points they won after it was well under way.

Steele and Theo. Richards had finished playing seventeen games in their deciding two sets with Beckus-Guard when they started in against Castle-Nowell, and the latter won the round in quick time, although there were occasions when the winners had to work hard for their points.

Taking the first three games in the first set they had a good lead and won out 6-2 without much trouble. In the second set the winners had to work harder for their points, yet they won in the same order and score as the first.

The third set was taken by six straight games, Steele and Richards winning the first game on Nowell's serve and losing the next six, which ended the match.

The play in the final round, between Dillingham-Roth and Castle-Nowell will be held at Moana courts tomorrow afternoon at 3:30, these courts being considered neutral for all four men in the match.

The score of the sets by games:
Fourth set—
Beckus-Guard 1 2 3 3 3 4 5 6
Steele-Richards 9 0 1 1 2 3 3 3
Fifth set—
Beckus-Guard 0 0 1 2 2 2 2 3
Steele-Richards 4 2 2 2 4 0 0

There will be seven motor cycle races at Kaplani Park June 11, if present plans go through, and the entry book is now open at E. O. Hall's for those who wish to put their machines into the events.

There will be a two-mile race for machines of three-horsepower and under; five miles for six-horsepower and under; 10 miles for four-horsepower and under; free for all; 10 miles for six-horsepower and under; five miles for four-horsepower and under, and a 25-mile race free for all.

It is expected that new amateur records will be established at these races for the Territory.

Harry Cobb, cashier of the Oahu Railway and Land Company, will referee the Froelicher-Younger wrestling bout at the Orpheum on Saturday evening. Cobb knows the game from start to finish and his acceptance of the position of referee guarantees that everything connected with the match will be right in all particulars.

There should be a good-sized crowd at the Moana courts tomorrow afternoon to see the finals in the doubles championship. Roth and Dillingham have not exerted themselves much so far in the tournament, but tomorrow when they go up against Castle and Nowell there will be some of the fastest tennis ever seen in Honolulu.

Practice at Moanalua field is on now and two polo teams from local players lined up yesterday afternoon for some hot work. Sam Baldwin captained one team and George Denison the other. More practice will be on tomorrow afternoon.

Tomorrow night the Hawaii Yacht Club dance at the Peninsula will draw the big crowd. Special train leaves at 7 o'clock, and returning after the dance will be met at the station by electric cars to take the crowd to their homes.

GOTCH AND HACK ARE MATCHED

Will Meet In Chicago for Bout On Next Labor Day.

CHICAGO, May 10.—The biggest sporting event offered the public since the Jeffries-Johnson fight was clinched today, when Frank Gotch and George Hackenschmidt were matched to contest for the world's wrestling championship. The long talking contest between the two prima donnas of the grappling game came to an end when Gotch affixed his name to the articles and posted his forfeit of \$5000. Jack Curley, acting for Hackenschmidt, did the same, and the Empire Athletic Club, which will stage the bout at the White Sox park on Labor Day, put up a like sum.

Following the signing of the articles the champion left for his Humboldt (Iowa) home, where he will keep in shape for the big go by doing farm work throughout the summer. Jack Curley started at once for Europe, taking with him Dr. Roller, who will help the "Russian Lion" prepare for the struggle.

A bank cashier from Humboldt, Ia., Gotch's home, W. W. Sterns of the People's State Bank, was made the final stakeholder and tonight carried back home with him a certified paper representing \$15,000. The club will post the remainder of the \$20,000 it is to pay Gotch by August 15, and pay him the \$1000 for training expenses when he steps into the ring. Within an hour after the articles were signed tickets for the bout were booked for the club.

Curley will join his strong man next week. They will spend ten days at "Hack's" bungalow at Shoreham, which is a garden spot only a mile from Brighton. Then following the coronation Hack will go to Aachen, a famous resort, and take three weeks of the waters there, then go to Ailsleben, another resort.

Curley will return to America July 9 on the Olympic, and Hack will sail August 9, landing in Chicago August 20, just two weeks before the match. As he expects to be in fine shape when he lands here, he will not need much in the way of finishing touches.

TENNIS POSTPONED TILL SATURDAY

Owing to the late arrival of the Canadian steamer with the Sheffield Choir, which is to give a concert at 3:30 this afternoon and another during the evening, the tennis tournament championship for doubles has been postponed until tomorrow (Saturday) afternoon at 2:30 o'clock on the Moana courts.

St. Louis College has been declared winner of the Grammar School League series, Punahou forfeiting all games on its own account because there were two boys on the team over eighteen, and Iolani had one over twenty-one.

A. A. U. is planning for a series of sporting events for July 4, at which the first official records under A. A. U. rules will be made in the Territory. It is planned to have the events in both the morning and afternoon.

The Moana Tennis Club will have a fine new clubhouse in the near future, to cost nearly one thousand dollars, the deal for the site being concluded today.

CHICAGO, May 10.—John Condon, former gambling king and racetrack magnate, known as an "honest sport" wherever games of chance are played, is at death's door in Mercy Hospital. Condon, who has been blind for several years, is suffering from an insidious disease which is sapping his life away. His generosity to members of the sporting fraternity who were "down and out" is a byword among the gambling element.

The singles handball championship of Fort William McKinley, played at the Y. M. C. A. courts at that post, was won recently by Corporal Blaney, Company M, 7th Infantry. Cohen took second and Haynes third. Murphy and Medinus both played excellent ball.

The Philippine Carnival of 1911 will run its merry course from Saturday, February 3, to Saturday, February 10, these dates having been decided on by Director General Catterman and his aides.
